

Clearing Notice

TO: Eris Clearing Members
FROM: Eris Clearing Client Service
NOTICE: #20-04CN
NOTICE DATE: November 17, 2020
PUB. DATE: November 17, 2020
SUBJECT: BCH Post Fork Update

The Bitcoin Cash (BCH) blockchain, experienced a fork on November 15th 2020, splitting into BCHN and BCHA.

ErisX has analyzed the outcome of the fork following the ErisX Fork Policy and has determined to continue to support Bitcoin Cash on the BCHN blockchain, which has become the dominant blockchain.

Therefore, ErisX will take the following steps to resume normal operations.

- Resume normal processing of deposits and withdrawals of BCH on the BCHN network at 16:00CT on November 17th, 2020.
- Resume trading on the BCH/USD and BCH/BTC pairs at 18:30CT on November 17th, 2020.

Note: ErisX will not support the BCHA blockchain. When depositing BCH funds to ErisX, please make sure you do not send any BCHA. BCHA is not a supported asset, hence, any BCHA funds sent to ErisX will not be recoverable.
