

Clearing Notice

TO: Cboe Digital Members and Participants
FROM: Cboe Clear Digital Clearing Operations
NOTICE: #23-07CN
NOTICE DATE: April 10, 2023
PUB. DATE: April 10, 2023
SUBJECT: Notification of Ethereum Shanghai Hard Fork

Ethereum will be undergoing the Shanghai hard fork, which is currently scheduled to occur on April 12, 2023. This fork marks the completion of Ethereum's full transition to Proof-of-Stake and will enable staked ETH withdrawals.

Cboe Digital does not anticipate any disruption of its services or to trading during the scheduled Ethereum network upgrade on April 12, 2023; however, there may be temporary delays to ETH and USDC deposits and withdrawals during the scheduled fork.

Questions regarding this Clearing Notice should be directed to the Treasury Operations email: digital.treasuryops@cboe.com.
