

Clearing Notice

TO: Cboe Clear U.S. Clearing Members

FROM: Cboe Clear U.S. Clearing Operations

NOTICE: #25-11CN

NOTICE DATE: October 30, 2025

SUBJECT: Update to Cboe Clear US Rule Filing Implementation

This Clearing Notice serves to notify Clearing Members of Cboe Clear U.S., LLC (CCUS) that CCUS Rule Certification Submission Number CCUS-2025-10 will become effective on a trade date to be determined once the U.S. government reopens.

CCUS-2025-10 updates the CCUS rulebook in connection with the plan to begin clearing Cboe Continuous Futures products listed and traded on Cboe Futures Exchange, LLC (CFE). Effective on a trade date to be determined once the U.S. government reopens, CFE plans to launch trading in Cboe Bitcoin Continuous Futures (PBT) and Cboe Ether Continuous Futures (PET), clearing through CCUS, *subject to regulatory review*. CCUS-2025-10 is available [here](#).

Once the U.S. government reopens, CCUS will issue a Clearing Notice to announce an implementation date.

If you have any questions regarding this Clearing Notice, please contact CCUS operations at clearus.operations@cboe.com.
